Salute To The Champions

The 1980 Varsity Basketball Team reached for the heights, achieving more than any other Doss Team before them and giving our school more spirit to compete than we had thought possible. Sweet Sixteen. How sweet it was! All the way to State runner-up!

Our inventive and spirited Varsity Cheerleaders, not content with local triumphs, traveled to Florida for national competition.

And, our talented and precise Drill Team brought us multiple trophies.

Besides these teams, individuals made a name for us. (We know the list will not be complete until the end of the year and we are sorry to miss some of you.)

Pepsi Singers

This year, a group of singers from Doss was selected by the Pepsi Bottling Company to represent them as the nation's first Pepsi Generation Singers. This group, under the direction of Miss Gail Taylor, has performed throughout the Kentuckiana area and many surrounding cities. During the Christmas season, they visited many of the area's malls and shopping centers, and brought Christmas joy to people in hospitals and nursing homes. They visited Evansville, Indiana, courtesy of the Pepsi Corp., to perform during the halftime at an Evansville University basketball game. Doss High School and the Pepsi Corp. are pleased with the performances this year and are looking forward to success in the future.

Another Winning Season

Everybody Tried but not many succeed in stopping WanKeith Akin.

After a slow start at the Fairgrounds, Doss surged back to win seven straight games and finished at 7-3. The 1979 season marked the fourth consecutive winning season for Doss.

To begin the season, a fired-up Doss team was badly beaten by a tough Trinity team, 49-28 at the Fairgrounds. WanKeith Akin rushed for 142 yards and scored two second-half touchdowns.

Doss' first victory, a 26-0 romp over Fairdale, was the beginning of a long streak.

Akin finished the season with 1,267 yards rushing and led the state in scoring with 198 points. WanKeith fell just two points shy of the Jefferson County Career Scoring held by Mike Northington of Thomas Jefferson with 412 points (69-72). He also finished his career with 3,921 yards rushing.

The senior trio of Akin, Sims, and Katzman received much deserved credit throughout the season. All three were

named to the Louisville Times All-County team, Akin and Sims first team and Katzman second team. In the Courier-Journal All-State football team, Doss placed Sims on the second team and Akin on the Third. Also, Ricky Hare, Brett Ryan, Donn Chancey, Jeff Kuriger, Mike Katzman, and Scott Tomes received honorable mention for the All-State football team.

Shows One Of Its Best Seasons

Cindy Scott was this year's only senior on the Girls' Varsity Basketball Team. Cindy showed experience as she helped bring the girls through a winning season. In a game, against Angela Merici, Cindy scored her high of 16 points.

The Doss girls' basketball team enjoyed one of its best seasons ever. Picked in pre-season as one of the top twenty teams in the state, the girls began the season with two victories over Fern Creek 54-40 and Pleasure Ridge Park 62-51. Kathy Betz led the team in scoring with 19 points in the first game while Ann Hartlage (who tied in a pre-season poll as one of the best two players in the 6th region) scored 22 points against PRP. The girls dropped a narrow 49-48 decision to Stuart and a 62-48 decision to Mercy before rebounding to defeat Shawnee 57-50. In these three games, Ann Hartlage poured in 18, 17, and 21 points respectively. In one of the more exciting games of the season, a very strong Butler team narrowly escaped the Doss girls 67-65. Assumption handed the girls another loss before they enjoyed a very impressive win over Presentation 65-41. After 2 losses to Mercy 65-42 and Western 56-52, Doss came back to defeat Angela Merici 64-59. Ann Hartlage scored 20 points while Cindy Scott (the team's only senior) added 16. After a narrow 60-56 loss to Sacred Heart, Doss buried Ft. Knox 69-59.

The Doss girls were then selected to play in the Louisville Invitational Tournament (LIT) for the first time in four years. The girls made a fine showing of themselves by leading throughout most of the contest before hitting a dry spell and eventually dropping the decision 57-43. The score was tied 43-43 before Butler reeled off the final 14 points of the game. The girls then picked up momentum and won their next eight games in a row. The scores were 50-39 vs. Fairdale, 71-46 vs. Iroquois, 70-47 vs. PRP, 50-49 vs. Southern, 81-47 vs. Central, 70-58 vs. Thomas Jefferson, 64-55 vs. Ohio County, and 61-54 vs. Valley. At the time of this printing, the girls have two more regular season games and the district and regional tournaments ahead of them.

Leading the Doss scoring on the year were Ann Hartlage with an 18 point average and Kathy Betz with a 17 point average. Robyn Glass also averaged in double figures with 10 points per contest. Kathy Betz and Ann Hartlage were very close in the rebounding battle with both girls averaging around 13.

This year's Varsity Cheerleading squad has been one of the best ever at Doss. Many long hours of practice and dedication have brought them great recognition.

YMCA held their annual State competition, and by placing 2nd in the preliminaries, the Varsity Cheerleaders qualified to compete for the State Championship. Capturing 1st, the Dragons won the title of "State Champs."

Placing 2nd in the Mideast Regional Championship enabled the girls to compete in the National Championship. The National Championship, sponsored by UCA, was held Feb. 22nd in Orlando, Fla., and televised on ABC.

Congratulations to the Varsity Cheerleaders for their many accomplishments, and to their sponsor, Cindy Woosley.

The Doss Dragonettes began the year by presenting the school with the many trophies they'd won since April. The girls took 1st place in Jefferson Co. Competition, won a 6th place trophy for their performance in National Competition, a 2nd place award for inspection during Nationals, a spirit pom-pom and superior trophy from the University of KY. summer camp.

During the year they've performed at pep rallies for both football and basketball and during several halftimes at basketball games.

This year's team has again exhibited the quality of past teams and shown the spirit that's apparent at Doss High School.

Marching Band

The accomplishments of 1979, has truly made this the year of The Dragon. The Flaming Dragon Marching Band began competition at the Ky. State Fair and was rewarded by their placement in the Ky. Band Hall of Fame. Challenged by their early success, the band entered several area competitions and finished among the top three bands in every contest. The highlight of the marching season was winning 1st place in the Moore contest.

For the first time in several years a new look was added to the half-time football entertainment - Flag Girls.

The band marched in various parades, including the Opening Day Parade of the State Fair and the Homecoming Parade.

Homecoming was another banner event for the band. After sponsoring the highly successful bonfire, the band's float, in keeping with the tradition of the past few years, won 1st place.

Tiresome hours of practice . . . marching in sun, rain, mud, snow . . . long, uncomfortable bus rides . . . lugging heavy musical instruments - all represent a side of the marching band few but members really know. However, this is the price that must be paid to keep the Flame burning bright.

The Doss wrestling team took on a whole new look this year, starting with a new head coach, Mark Hinds. The team underwent somewhat of a rebuilding year, since it lost ten varsity wrestlers from last year's region winning team. The team's dual meet record of 3-11 reflected the inexperience of the team, but there were some bright spots through the course of the season. For instance, they placed 12th out of twenty-one teams in the Jefferson County Tournament of Champions, with Fritz Kopatz finishing second and Brian Hawkins fourth. In the district tournament, Doss had three individual champions: 112 lbs. - Brian Hawkins, 132 lbs. - Fritz Kopatz, 145 lbs. - Billy Hamilton. Along with the three district champions (who are all Seniors), Doss qualified three other wrestlers for regional competition: 98 lbs. - Tommy Kirby, 119 lbs. - David Jones, 126 lbs. - Ronny Kirby.

This was the first year for the Doss High School Swim Teams. The coach for both the boys and girls teams is Mr. Ray Byerly. The teams practice at the South-west YMCA and are also helped by Richard Sims and Danny Musinski. The girls and boys teams competed in many swim meets this year and did very well. In region the girls and boys finished 5th and 6th in the relay events.

The Varsity Baseball Team started conditioning practice in mid - February. They practiced on Saturday mornings and everyday after school, rain or shine. The Dragon's season officially started on April 1, 1980.

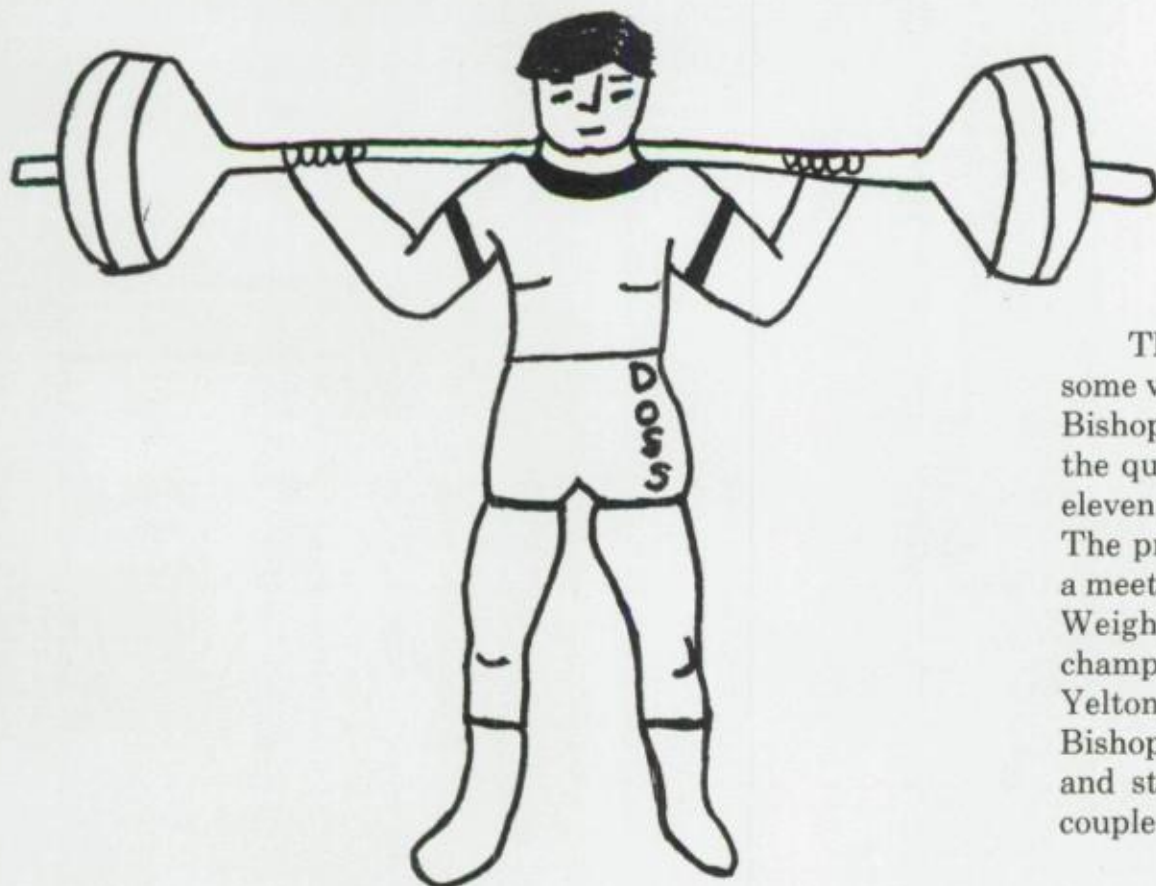

The Varsity team has a very promising season ahead of them with the return of five seniors and even more juniors.

Weightlifting

The Doss High School weightlifting team made some very impressive showings this year. Coach Bob Bishop had very little to work with in numbers, but the quality was certainly there. The team practices eleven months out of the year, and six times a week. The practices paid off in the Ohio Valley meet and a meet in Topeka, Kansas. In the Kentucky Teenage Weightlifting Meet, Doss had four individual champions; 114 lbs. - Kevin Bratcher, 123 lbs. - Alan Yelton, 148 lbs. - Greg Bartlett, and 165 lbs. - Mike Bishop. The team hopes to do well in the regional and state meets, and Mr. Bishop is looking for a couple of his lifters to win national championships.

A Decade of Excellence

13 years ago, as a new school, Doss was in need of leadership and direction. As with most young schools, the first athletic teams did not exactly strike fear in the hearts of the opposition. We struggled and won enough games to keep us going.

As we entered the 70's, Harold Quiggins was added to the teaching staff at Doss High School. He became a teacher, a sponsor, a coach, and a friend and advisor to many of the students.

During his tenure as assistant football coach, there came an opening for athletic director at Doss. He was chosen for the position. He brought to the job two qualities; a keen sense of business and the desire to make the Doss athletic program the best in Jefferson Co. He succeeded in both. Doss athletics has grown into a highly respected power in the state.

Mr. Quiggins left to take on the position of Assistant Director of Student Relations with the Jefferson Co. Board of Education. Mr. Dan Shephard and Ms. Cindy Woosley have been selected to fill out his unexpired term. We are confident that our standards will continue to grow under their fine leadership.

The Doss Crest

The Dragon - The most valiant of horned creatures with a keen sense of sight which affords him the ability to guard riches and treasures; the Doss mascot.

Shield - Protection and faith.

Winged foot - Speed, skill, and superiority.

Torch - Liberty, education, life, and light.

Key - Knowledge.

Clasped hands - Friendship.

Doss ribbon - Unity and school spirit.

Chain - Strength and security.

Instant Replays

Recalling the events of the past school year, 1979-80 has been a good year for Doss High School.

Accomplishments for Doss have been at a high point. We have gained recognition and more importantly, respect for these.

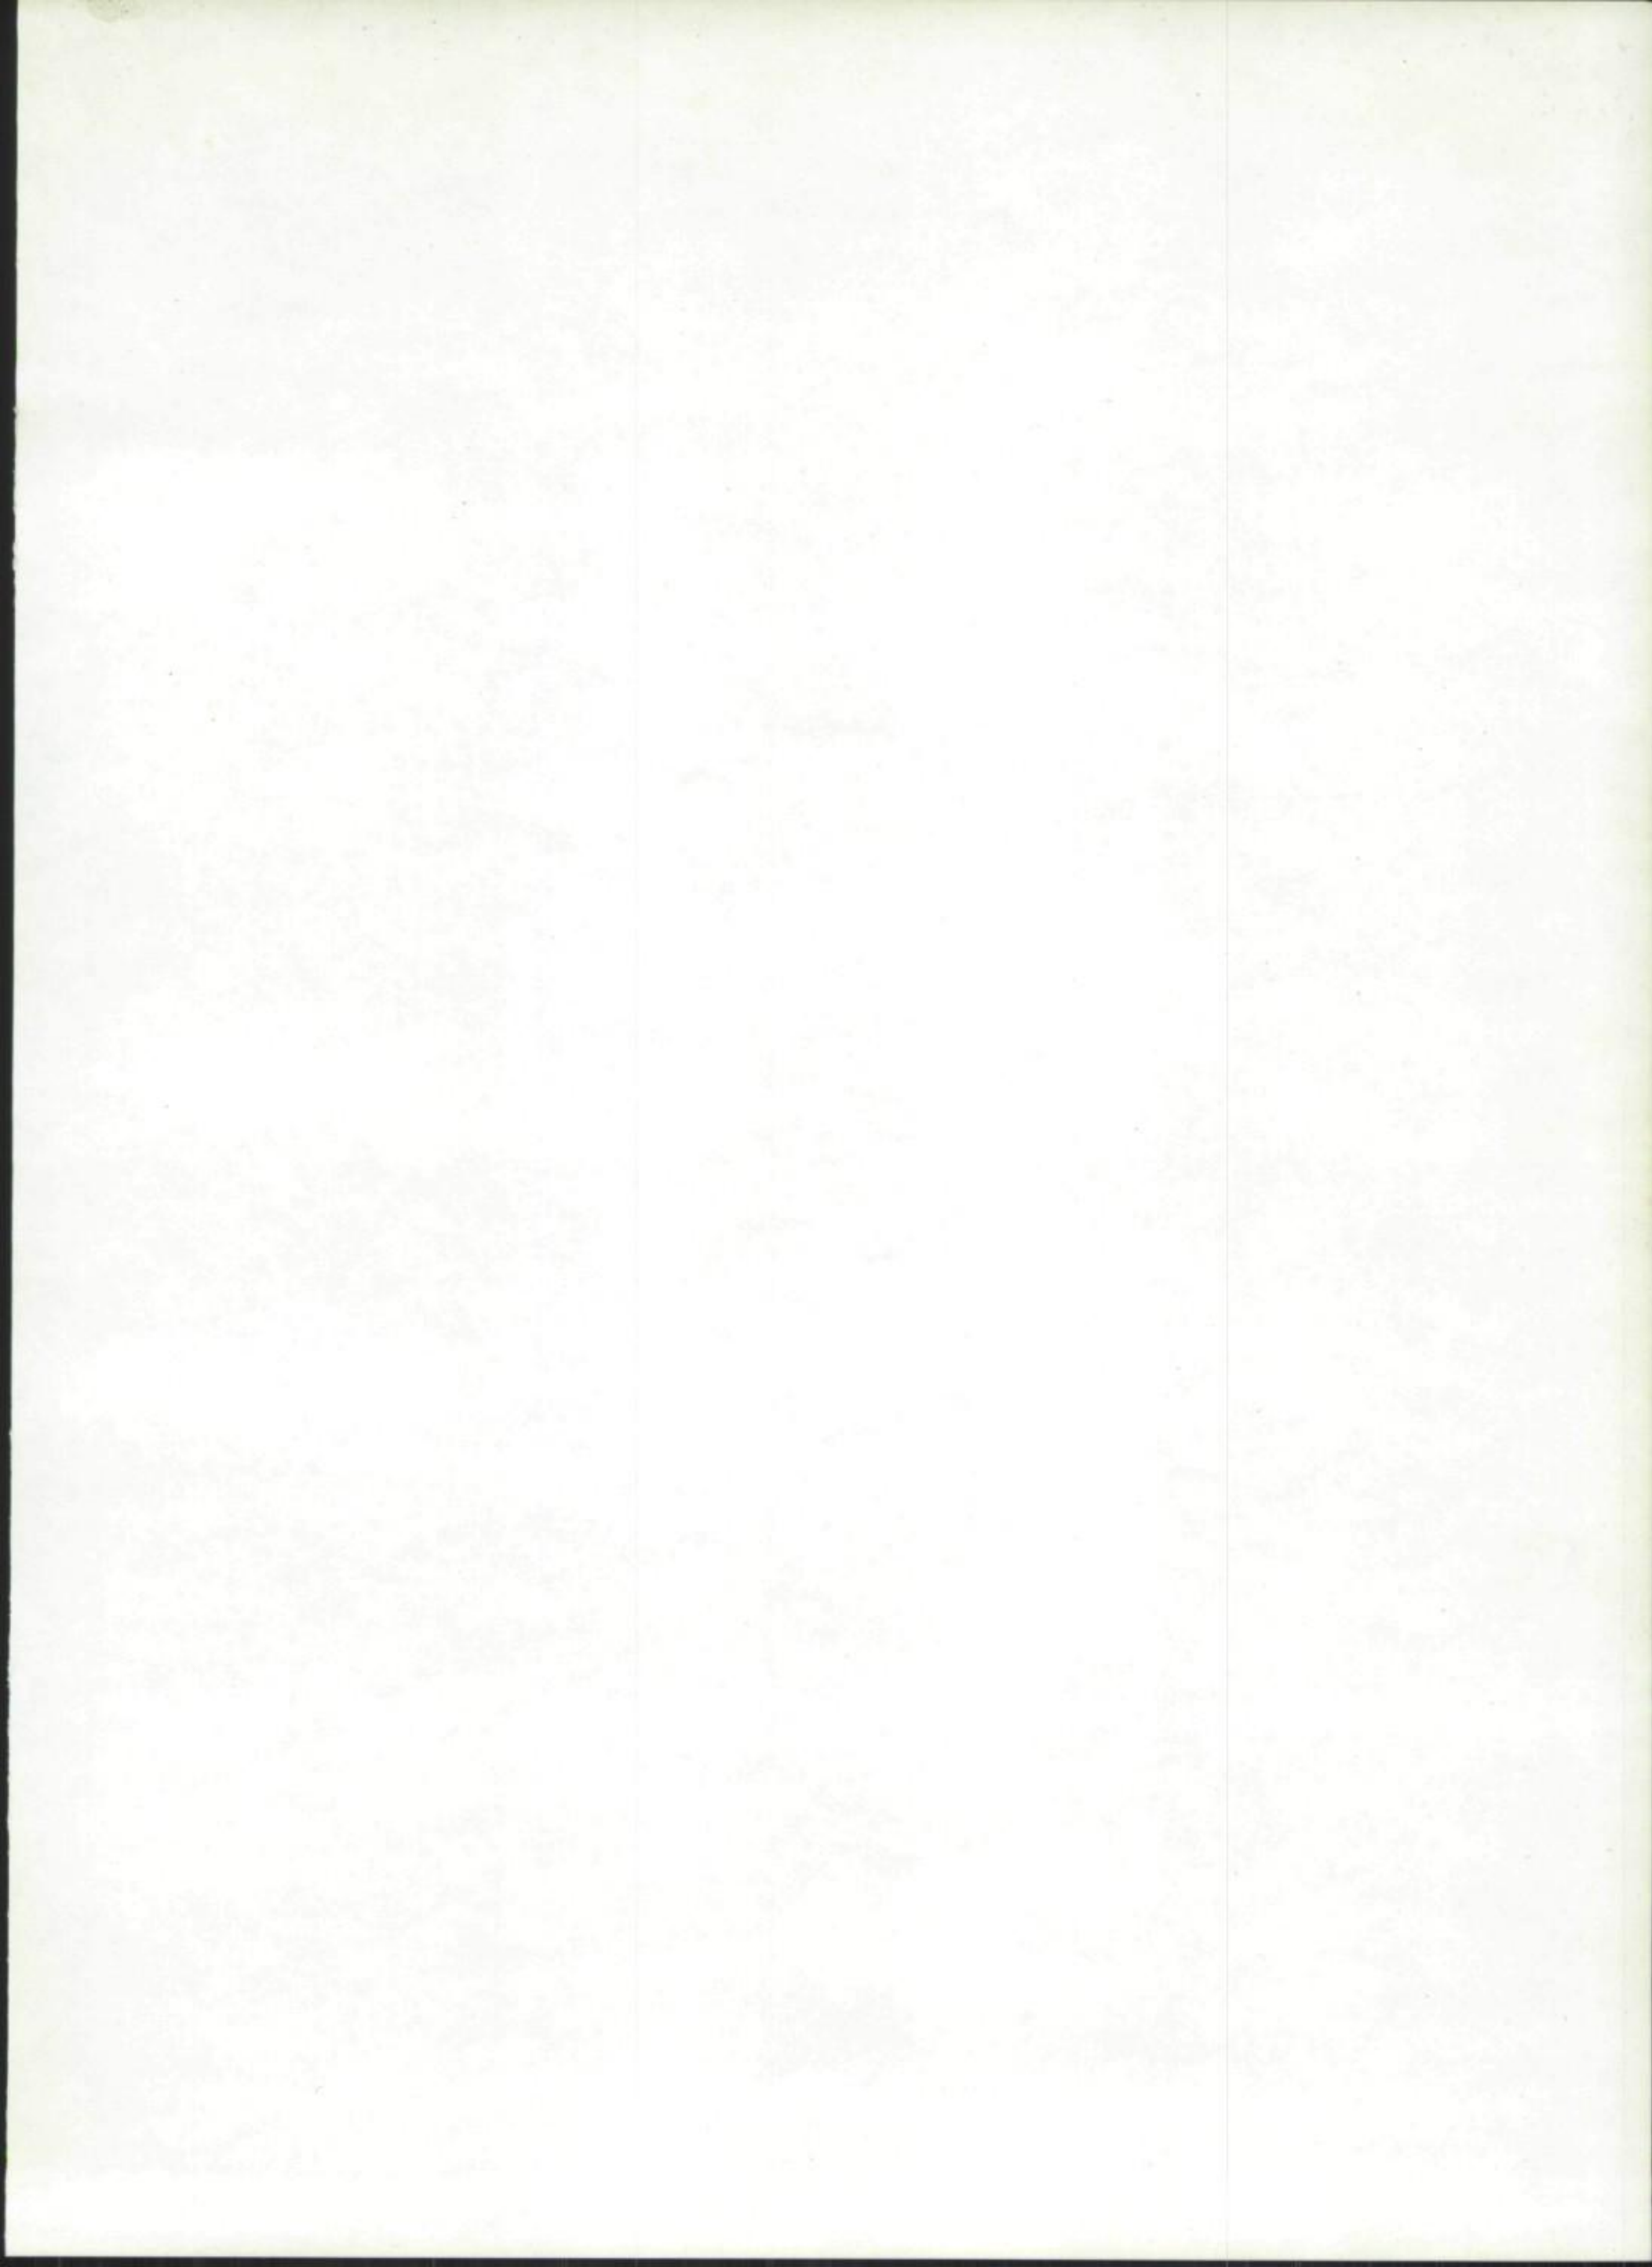

This has been the last year here for many of us. We may leave with a small feeling of loss for what we are leaving behind. But we should all feel content in knowing that we have helped make Doss High School what it is today. When we think back on this year, as we will, we shall surely remember it as . . .

Bryan,

We really don't go back very far, in fact this year (79-80) was the first time we had the chance to become friends. We share alot of crazy memories and some real good times. I guess our friendship owes a thanks to Todd L. and Kenny. Do you remember all the stupid things we did? For instance the time Kenneth and me toilet papered Kenny's hair and the time we all went to that grave yard. That helicopter came down and scared the shitz out of us. Then to top it all off Sony and you come over telling me that wild story about Devil worshippers. What a fool for believing that one! Never forget the time we were nearly killed in your parents car. (I don't think Greg P. will forget that one either) It goes to show you, you're always at the wrong place at the wrong time. Bryan, seriously I hope your football goals are high and you try to fill them to the best of your ability. There is nothing better then being the best at what you do. I am sure that next year when you're a senior, that I will be reading alot about you in the papers. Always remember that ★ God ★ is the strength and bond to everything and everyone! Goodluck with Christy, I hope your happiness will long be rewarding. Thanks for the good memories ★ and your friendship.

P.S. I forgot about the trip to the JM!
